Dear Ms. Woods:

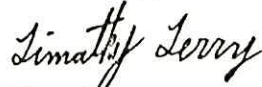

Last month, Tim Terry and I started to consider setting up New Orleans JrLAD. We want to have one here because we really want to help young deaf people in their rights, fellowship, activities, etc.

We would like to get information about JrLAD; how to set up, organize and develop leadership. When we have JrLAD established, then, maybe, our JrLAD can combine with the Baton Rouge JrLAD while the LAD has its meetings four times a year.

We would also like to know if it would be possible for President Joe Benedetto and yourself to come to New Orleans to meet with us and advise us how to go ahead.

We are looking forward to receiving a letter from you. Let our association be strong in the future.

Sincerely,

Timothy Terry
